REAL-TIME BUS TRACKER

Know where your bus is at and when it is expected to arrive at your stop in real-time! Just download the free **DoubleMap** app to your smart phone or tablet and select "Yuba-Sutter Transit" as your system. From the menu, select routes of interest and favorite stops to get service alerts so you will always know before you go! You can also access the Bus Tracker from any internet connected device at YubaSutterTransit.com where you will also find instructions and tips for using this exciting new service.
