

FREE OFF-SITE PARKING SHUTTLE TO BE PROVIDED FOR THE ANNUAL “TOUCH A TRUCK” (OR BUS) EVENT

Yuba-Sutter Transit will again be operating a free off-site parking shuttle service for the annual Playzeum’s “Touch A Truck” event. This popular event is held at the Playzeum Yuba-Sutter site in south Yuba City at 1980 South Walton Avenue from 11:00 a.m. to 3:00 p.m. on Saturday, April 13th.

The Yuba-Sutter Transit shuttle will operate continuously during event hours between the Caltrans Park and Ride Lot at the corner of Bogue Road and Highway 99 and the Playzeum site where parking is limited. The shuttle bus will operate every 10 to 15 minutes from both locations. The Playzeum is also served by Yuba-Sutter Transit’s Route 5 with a stop on the site.

Participating kids will be able to touch and get behind the wheel of vehicles that could include a helicopter, garbage truck, tractor, semi-truck, tow truck, disaster response vehicle, fire truck, street sweeper, dump truck, police car and many others. In addition to the attraction of riding a transit bus (where kids will not be allowed behind the wheel), another bus will be available on site for further exploration.

For more shuttle information, contact Yuba-Sutter Transit at (530) 742-2877 or at info@yubasuttertransit.com. For event information, contact the Playzeum at (530) 763-5134 or at info@yubasutterplay.org.

LOSE SOMETHING ON THE BUS?

Yuba-Sutter Transit is not responsible for what passengers leave behind on the bus, but we do collect many such items each service day. Non-perishable items are kept for at least 30 days after which time they are donated to a non-profit organization of our choice. If you think you lost something on the bus, contact our Administration Office at (530) 634-6880 or email info@yubasuttertransit.com.

STROLLERS, GROCERY BAGS, UTILITY CARTS, ETC.

It has been a while since we last reviewed our long-standing policy regarding the transport of the wide assortment of carry-on items that people need or want to bring with them on the bus. Carry-on items are allowed on all services with the following restrictions:

- Passengers must be able to personally lift and carry all items on board the bus in a **single** trip or boarding.
- Each passenger is entitled to one seat only so please keep your feet, bags, backpacks, etc. on the floor in front of you or in your lap as appropriate.
- Items must always remain within the control of the passenger.
- Items cannot block any aisle, doorway or area reserved for persons in wheelchairs or those who use mobility aids.
- Children must be removed from strollers and the stroller must be folded and stored so as not to block any area listed above.
- Personal utility carts must be similarly emptied, folded, and stored (they will not be strapped down in the wheelchair securement area).
- Upon the request of the driver, passengers with strollers, personal carts and/or extra personal items are expected to vacate priority seating areas that are reserved for persons in wheelchairs or those who use mobility aids.

Please note that if a passenger is using a wheelchair or other mobility device for something other than its intended purpose (i.e., carrying groceries or personal items), it will be considered a personal utility cart and will **NOT** be treated or secured as a wheelchair. Commercial grocery carts are never permitted on the bus.

This policy is consistent with the Americans with Disabilities Act (ADA) and designed to improve the safety and service timeliness for all passengers. A large number of grocery bags may block the aisle or take up seating space; loose items can become tripping hazards or dangerous projectiles in an accident; and large or heavy items require additional time to load and unload causing schedule delays and missed transfers.

If you have any questions regarding these policies, please call (530) 742-2877 before you ride to avoid a possible service denial.
